- 13:57 PowerBI - self service BI on steroids up now at #share4biz Jethro Seghers. Looking forward to seeing just what we can do.
- 13:58 @rwan0 @Vodacom that's being polite. Hasn't worked for more than a few seconds at a time.
- 14:13 Self service BI is created by the end users. Combination of formal and informal data. Created via Excel. Power Pivot engine #share4biz
- 14:15 Self service BI : Power View for visualization of data. Power maps allows geographic visualization. Power Query queries internet #share4biz
- 14:16 Self service BI : publishing via Power BI and Excel services. Can publish to Sharepoint online from Excel 2013 #share4biz
- 14:16 RT @MarieMWessels Digital signatures are compliant with SA laws □ #share4biz
- 14:27 Jethro giving really cool demos of PowerBI - much still to learn to take advantage of these. Animations are great. #share4biz

- 14:32 PowerPivot builds in memory cubes with your data to provide great speed for your analysis #share4biz
- 14:33 Thanks @jseghers for the great presentation.
#share4biz
- 14:37 Sharepoint online - friend or foe? Jasper Oosterveld
#share4biz
- 14:43 Sharepoint online gen benefits: lower+predictable costs, 99.9% avail, easy deploy, up to date+new features
#share4biz <http://t.co/hFYXkKKd0H>
- 14:46 Use cases: personal storage - 1TB one drive pro - supports mobile, extranet - share docs with clients, intranet #share4biz
- 14:47 One Drive Pro for business via Sharepoint online : use cases / benefits #share4biz <http://t.co/dFeE4P3nZs>
- 14:50 Some important business challenges with OneDrive : No auditing, no central sync deployment, manual migration, offline storage #share4biz
- 14:52 Working with and want to collaborate with customers? Sharepoint online works great for this Combine with Yammer #share4biz
- 14:55 Benefits of a Sharepoint online Project site #share4biz
<http://t.co/H2q63kag6S>

- 15:13 How social and the cloud impact your governance strategy - Christian Buckley #share4biz
<http://t.co/Nw7fkuisWw>
- 15:13 RT @wintersparkle Is your business ready for change - Nick from @complexus_za talks through his readiness APP #share4biz #personalitiesdriveCHANGE
- 15:23 Microsoft built social aspects into Sharepoint 2013. Then they went and bought Yammer and confused everyone. Only now clearing up #share4biz
- 15:23 Small-team collaboration can be fast and effective. 5-7 is the optimal team size. Large team collab can be slow and silo'd #share4biz
- 15:23 IM was the precursor to the current social explosion. Facebook much bigger than Sharepoint however Facebook<>enterprise social #share4biz
- 15:27 Why are social tools important? They surface data. Provide context. Extend search experience. Change way we communicate #share4biz
- 15:29 Success with social media is a leadership and management challenge not a technology one. #share4biz <http://t.co/VLO1WYt8Y5>
- 15:31 Spending on cloud \$6.1 billion in 2012 estimate \$9billion in 2013 #gartner #share4biz
<http://t.co/3GybBUHT7M>

- 15:33 41% of workers in 2013 used in sanctioned cloud storage. 87% knew it wasn't allowed. Caused \$1.8b damages #share4biz <http://t.co/sTfmKK57cy>
- 15:35 Many cloud solutions are still immature from a governance risk and compliance perspective. #share4biz
- 15:39 Governance is the glue between business needs and the service you actually deliver #share4biz
<http://t.co/fqAUOZzQLR>
- 15:39 Best practices : 1. Make governance a priority.
#share4biz <http://t.co/pHLOrwy4hq>
- 15:48 Integrating SAP and Sharepoint is hard but not rocket science. People issues the hardest to resolve #share4biz
- 15:49 Marie Wessels aka Sharepoint Girl on stage talking SAP Sharepoint integration. #share4biz
<http://t.co/Wnw8u5e9KN>
- 15:54 If you just need reporting rather than real time or two way communications then SAP BW is the way to go #share4biz
- 15:54 There are many ways to integrate sap and Sharepoint. If it's two way integration choices are limited
#share4biz <http://t.co/z0bBkRiOR>

- 15:56 Biggest reason for integration failure? Blame game. Everyone must play together. Whole project fails if one party blaming other #share4biz
- 15:56 Second reason for integration failure : thinking policies are carved in stone and letting them drive poor design decisions. #share4biz
- 15:57 Policies often written before the technologies came out. May no longer be optimal solution. Business needs change. So must ERP #share4biz
- 15:59 SAP is difficult to change. Don't try and build two systems and integrate simultaneously. Too much change doesn't work. #share4biz
- 16:00 If you can't answer question: what is the actual actual business need being addressed. More productive people, data integrity #share4biz
- 16:01 RT @troysgerber It is not written anywhere that "Thou shall not touch SAP on its funny place" @mariewessels at #share4biz #quoteoftoday #legendary
- 16:02 Improving data integrity all by itself from a cost saving and risk reduction point of view is a business case #share4biz

- 16:04 Conclusions : One system must be the source of truth and be the key. Generally this is SAP. #share4biz
<http://t.co/LyDCqavnvC>
- 16:04 @troysgerber Bribes being offered already ? :)
- 16:09 @mariewessels Interesting and entertaining presentation. Thanks very much. #share4biz
- 16:12 Duet enterprise is prebuilt integration but needs SAP net weaver stack and Sharepoint enterprise. Microsoft and SAP codeveloped. #share4biz
- 16:55 What is social business? term "social media" sucks. It's application of social platforms+principles to bus #share4biz
<http://t.co/nxMH5HBduK>
- 16:56 Are you a Nomophobic? #share4biz
<http://t.co/XV2fWMwzpm>
- 16:58 Enjoying the craft beer at #share4biz - good call
- 17:01 The values that drive successful social engagement on the web are fundamentally opposed to those that make business work #share4biz
- 17:01 Openness, transparency, flexibility vs secrets, process, structure and control #share4biz

- 17:03 The social era of business has obliged corporations to recognize the humanity and individuality of staff and customers #share4biz
- 17:04 We are attempting to solve today's problems with yesterday's solutions and tomorrow's people #share4biz @mikestopforth
- 17:07 RT @Intervate Contract Management - solve your need with #SP2013 don't buy use what you have. #share4biz <http://t.co/zQfeXHgKdz>
- 17:07 RT @stephenwrks At #share4biz watching @mikestopforth talking #socbiz - awesome point and indeed presentation :) <http://t.co/DTCTDxcMge>
- 17:09 We are trying to sell to and employ a generation that thinks fundamentally different to how we do #share4biz
- 17:10 Personality or authenticity is one of the few things corporations have left as differentiators. How do we embody that. #share4biz
- 17:11 Profit must be a by product of happy people, not at the expense of. #share4biz
- 17:11 RT @buckleyplanet Great presentation by Mike Stopforth from #Cerebra on the social business challenge #share4biz <http://t.co/AfN7ObvGXD>

- 17:15 Can't over promise and under deliver. Social engagement doesn't allow this anymore. #share4biz
<http://t.co/x6cu00OT61>
- 17:16 Companies need to move from "doing social" to "being social" easier said than done #share4biz
- 17:17 End of a great presentation from @mikestopforth
Thanks for post drinks entertainment. #share4biz
- 17:19 All successful case studies of successful social experiences have buy in and understanding from the top. Often disaster initiates #share4biz
- 17:22 Enterprise social collaboration - Bellinda Carreira
#share4biz <http://t.co/4KFU3sSYKb>
- 17:24 standard bank using Yammer for internal engagement :
some stats on usage #share4biz
<http://t.co/2JHmlEv41r>
- 17:26 Gartner says the vast majority of social collaboration infinitives fail due to lack of purpose. what is your why? #share4biz
- 17:26 RT @Lynn_W49 The cape town guy @troysgerber...is a rock star at presenting contracts management...leverage the tools u have in biz #SharePoint #share4biz

- 17:26 There needs to be leadership endorsement for a change in approach to gain critical mass #share4biz
<http://t.co/u7coqhm4ZA>
- 17:29 Intangible benefits key. Difficult to sell+measure ROI. Social engagement helps change people to make future Products relevant #share4biz
- 17:32 Why do social? Deliver on our customer promise. #share4biz <http://t.co/BAKweNvu7V>
- 17:33 Tools have the least impact but form a necessary foundation. Processes, comms, structure and culture drive the success #share4biz
- 17:35 What does Yammer do in the Eco system? Duplication dilutes impact. Understand the right integration between platforms #share4biz
- 17:37 Key strategic and practical considerations for processes that need rethinking to support Yammer #share4biz
<http://t.co/aFRR7xENAS>
- 17:38 Key strategic and practical considerations around Yammer : Communications #share4biz
<http://t.co/JGJZUgTHyv>
- 17:39 Key strategic and practical considerations for Yammer - structure #share4biz <http://t.co/a9XdWHGBnZ>

- 17:41 Key strategic and practical considerations on Yammer - Culture. fear one of greatest barriers. #share4biz
<http://t.co/TiEIZQ8Pj5>
- 17:42 Balancing risk and reward. Need to be both agile and consistent Brave and responsible. #share4biz
<http://t.co/h5PEb85a4c>
- 17:44 RT @stephenwrks Now @BellindaC talking #yammer #esn at Standard Bank - awesome humility about successes and challenges #share4biz
<http://t.co/eeBl0qnFKQ>
- 17:44 Balancing risk and reward. Business has to take the risk on. Must do the due diligence and figure out how #share4biz
<http://t.co/kgZsJ99txE>
- 17:45 Interesting view on what a successful Yammer implementation could look like #share4biz
<http://t.co/b2SebEgDDO>
- 17:46 thanks @BellindaC for your presentation. Enlightening insight into your Yammer implementation.
- 17:49 RT @YourAnonNews You hear about TOR but VPNs are great for protection too. Here are some services to consider and why. <http://t.co/GeJoe2RCOH>
- 17:52 Censorship of Yammer? Moderators and acceptable use policy with no anonymity gives a large degree of self censorship. #share4biz

19th June, 2014

- 09:02 @BellindaC thanks for the refreshing honesty in your presentation.
- 09:04 Up on stage shortly to kick off day 2 of #share4biz is my fellow prolific tweeter @rwan0 talking on The future of work beyond 2014
- 09:07 RT @BarryLee82 My presentation now available on @Prezi. "SharePoint's Step Children Working together" - #Share4Biz <http://t.co/Leolb5NA8n>
- 09:07 RT @rwan0 Breakfast. 10 mins to go. #share4biz <http://t.co/4JH7kldDMH>
- 09:15 Ray up on stage reminding us of the rapid rate of change @rwan0 #share4biz <http://t.co/QAbN7UacBS>
- 09:15 RT @downloadboi Don't miss expert @BarryLee82 's talk at 14:35. #SharepointsStepChildren #share4biz
- 09:17 Forget generation theory - digital proficiency is what's important. @rwan0 #share4biz <http://t.co/x8FFjYA3cU>
- 09:17 RT @BronyW All the things that we do in our personal lives that we can't do at work frustrates us! ~ Ray Wang #share4biz Statement of the week!

- 09:19 Mobile is not about a device, it's about getting things done in motion. Cloud gives you storage + compute #share4biz <http://t.co/zg2Zs4NhWq>
- 09:20 The cloud is the centre for all the innovation that is happening. @rwan0 #share4biz
- 09:21 Social creates new verbs and experiences that bring people together. In humorous ways too @rwan0 #share4biz <http://t.co/VBtN7mXO6p>
- 09:22 Digital disruption is more than just tech shift. It's about transforming business models and how we work @rwan0 #share4biz
- 09:28 52% of Fortune 500 companies disappeared since 2000 #innovation #share4biz @rwan0
- 09:28 RT @iBoota @rwan0 A Day Made of Glass Extended Montage <http://t.co/SJ7M4DhI9q> #share4biz
- 09:29 We don't sell products anymore. We battle for experience and outcomes. Have to transform business models to achieve this #share4biz @rwan0
- 09:30 RT @Bei_Ailong #share4biz @rwan0 speed is not enough.
- 09:34 Move from selling product to keeping brand promises, requires authenticity that doesn't exist elsewhere #share4biz <http://t.co/OBiYUeBZbZ>

- 09:35 RT @Karwana If u sell experiences you are brand building. Authenticity is key. YES! @rwan0 #share4biz #realworldit
- 09:35 RT @Karwana @rwan0 is killing it talking about digital disruption. If you aspire to be Biz Solution Architect this is critical knowledge #share4biz
- 09:37 Shift from transactional to engagement systems #share4biz @rwan0 <http://t.co/TvwKylYerr>
- 09:38 Now we are moving from engagement to experiential systems - beyond real time to context aware right time #share4biz <http://t.co/HM2nuyidwQ>
- 09:38 RT @Karwana Services deliver outcomes that deliver experiences.. We must understand this to deliver valued to our stakeholders. #share4biz #realworldIT
- 09:39 RT @Karwana Business solution architects must push to teach these ideas to those who want results but don't understand this yet #realworldit #share4biz
- 09:41 Moving beyond 2015 we get to mass personalized systems that are senscient self aware + predictive @rwan0 #share4biz <http://t.co/DKsZheLfgu>
- 09:45 Would drone deliveries work in South Africa ? Amazon PrimeAir - or would we just shoot the drones down ? #joke @rwan0 #share4biz

- 09:46 Tech trends boost digital opps: mass personalization, big data, augmented humanity @rwan0 #share4biz <http://t.co/zfai3ab7o9>
- 09:46 RT @Karuna I love digital innovation BUT human qualities need to infuse tech and lead it. Biz is still about people first. #share4biz #realworldit
- 09:46 RT @Gary_Ashby @Gary_Ashby: Amazon Prime Air @rwan0 <http://t.co/QyA4V2IGm3> #share4biz
- 09:46 RT @Karuna Train your soft skills with the same intensity as your digital ones. That makes Biz Solution Architect #share4biz #realworldit #SharePoint

- 14:53 You can always request consent from the data subject and if given offshoring of data is no problem #popi #share4biz
- 14:54 Under POPI we are all data subjects. POPI covers personal information only. Companies also fall into data subjects+get protection #share4biz
- 14:56 There are 8 conditions that set out how personal information is received processed disseminated and destroyed. #share4biz
- 14:56 Anything that identifies a data subject can be considered personal information. Inclusive not exclusive definition. #share4biz
- 14:59 Data sovereignty and government agencies - the MISS #share4biz <http://t.co/qqcuVS50t7>
- 15:00 Is Microsofts cloud service POPI compliant? All depends on how the customer uses the service and complies with the 8 conditions #share4biz
- 15:12 A legal summary of POPI for cloud users - Theo Watson of Microsoft South Africa #share4biz

- 15:12 Key take always: Personal info is valuable. There is no privacy without security. Check contracts #share4biz <http://t.co/hyOr5LuRgE>
- 15:12 Customer security responsibilities vs Cloud provider responsibilities #popi Must match or exceed org stds #share4biz <http://t.co/LdcMN1Vw3V>
- 15:16 POPI requires a WRITTEN contract with your cloud provider that confirms confidentiality and authorization #share4biz
- 15:16 Microsoft or cloud provider can't know whether you have given notice to a data subject and use info in compliant manner #popi #share4biz
- 15:16 All 28 data protection agencies in Europe have confirmed& endorsed Microsoft online terms& conditions. No other provider has this #share4biz
- 15:16 RT @SadiaAbsalom Last session of the day Interactive Discussion with @Karwana #share4biz
- 15:28 Microsoft will continue to dev on premise solutions, not everything has to be cloud. Cloud will have feature benefits quicker #share4biz
- 15:29 @Karlouse hoping to get them later today electronically. Give me a shout early next week.

- 15:31 Budget is moving away from CIO to business. IT won't be resourced to provide all business solutions. Cloud is coming #share4biz
- 15:32 The product road maps between SharePoint and Yammer will continue to merge. Yammer is cloud first rapid development. #share4biz
- 15:33 Don't anticipate an integrated solution between on premise and Cloud sharepoint anytime soon. Better Yammer integration yes. #share4biz
- 15:34 RT @buckleplanet @karuana calls Yammer / SharePoint combo "Shammer" and says it while doing "jazz hands." Awesome. #share4biz
